16.03.2011 № 012-ic/INF-011

Dear Sirs/Madams,

The Board of the World Forum – International Congress and Exhibition “Natural Cataclysms and Global Problems of the Modern Civilization GEOCATACLYSM-2011” (<http://2011.geocataclysm.org>) to be held 19-21 September, 2011 in Istanbul, Turkey hereby invites your company to attend the Congress and participate in the accompanying exhibition.

The Congress covers the following fields: 1. Earth sciences; 2. Economy and finances; 3. Transport; 4. Health care; 5. Emergency management; 6. Construction; 7. Ecology and environment; 8. Communication systems and information technologies; 9. International and national law.

The Congress is planned to be attended by more than 2,000 scientists, members of governments and parliaments, representatives of major companies and financial institutions.

Exhibiting your goods and services at the right place can be one of your most efficient, effective and successful marketing activities. The high status of the Exhibition’s visitors and participants including members of parliaments and governments, CEOs of big corporations and representatives of influential international organizations will be favorable for drawing attention to the exhibits on the highest level possible to promote effective marketing of the products in different countries and making of big contracts.

Annex: Congress’ Call for Papers

Sincerely yours,

**Congress Board Chairman**

**Prof. Dr. Elchin Khalilov**  
Chairman of the International Committee on  
issues of Global Changes of the Geological  
Environment GEOCHANGE

**Congress Board Co-Chairman**

**Prof. Dr. Franz Halberg**  
Honorary Director  
Halberg Chronobiological Center  
Minneapolis, US
